Dear Attorney General Representative:

In a letter dated Dec. 3, 2004, I again requested an informal opinion from your office on a matter of public interest. The matter of interest is whether the advisory group to the Harris Chain of Lakes Restoration Council (HCLRC) is subject to the Sunshine Law.

In that letter, I stated that the entire Council joined me in that request. This statement was made in response to your letter of August 27, 2004, which stated that I should make it clear that the majority of the Council joined me in making this request.

To date, I have not received a response to my letter of Dec. 3, 2004. Please inform me if there are any other conditions which need to be fulfilled before your office can/will issue an informal opinion on this matter.

This opinion is needed in order for us to maximize the effectiveness of our efforts to restore the lakes of the Harris Chain of Lakes to their former condition. I await your response.

Yours truly,

Charles C. Clark  
Member, HCLRC
