Action Item # 129:

Request: Council Member Stump asked Jim Troiano to resend dredge tailing constituent data provided to Annuvia to Council.

Action: Jim Troiano provided information to Councilmember Stump. The information is also on the Council's website.

Outcome: Completed

Action Item # 130:

Request: Chairman Grow suggested having the SJRWMD Governing Board presentation on the levee repair be emailed back to the Council for review.

Action: Two emails containing links to documents from the presentation, as well as links to the meeting videos were sent to the Council.

Outcome: Completed

Action Item # 131:

Request: Chairman Grow asked to have Dr. Roland Fulton's name removed from the Harris Council webpage and agendas from this date forward. This unless he attends a meeting.

Action: SJRWMD and administrative removed Dr. Fulton's name and replaced it with various. As staff members represent the TAG to the Council, their names will be added to the agendas.

Outcome: Completed

Action Item # 132:

Request: Chairman Grow has asked administrative staff to check with FDEP's Kevin Coyne to see if he can update the Council in June on the individual septic systems issues.

Action: Administrative staff sent an email to Kevin Coyne and he has agreed to provide an update to the Council.

Outcome: Completed

Action Item # 133:

Request: Request from Linda Moss to receive video link of presentation on the North Shore levee improvement project that was sent to the Council by Jim Troiano.

Action: Jim Troiano sent Linda Moss emails containing the requested information.

Outcome: Completed
